Miss Smith shows the interest in individual students typical of Lakewood's faculty

The sincere and friendly interest of the faculty in the individual students in their classes promotes school spirit and good will at Lakewood High School. The teachers donate many before and after school hours to giving outside help in classwork as well as assuming roles as sponsors of clubs and music groups, acting as advisors to service organizations and coaching and training the students in the varied athletic program.

Lakewood Board of Education

Elected by the voters of Lakewood, the members of the Board of Education determine the policies of our schools. Realizing that the education of the individual is a primary requirement for a successful democracy, they unselfishly donate their time, energy, and knowledge to give Lakewood youth the finest schooling possible. The students of Lakewood High School appreciate the hard work these citizens are doing to provide educational opportunities. The high standing of our schools among those of the nation is a result of the far-sighted policy of the Board of Education.

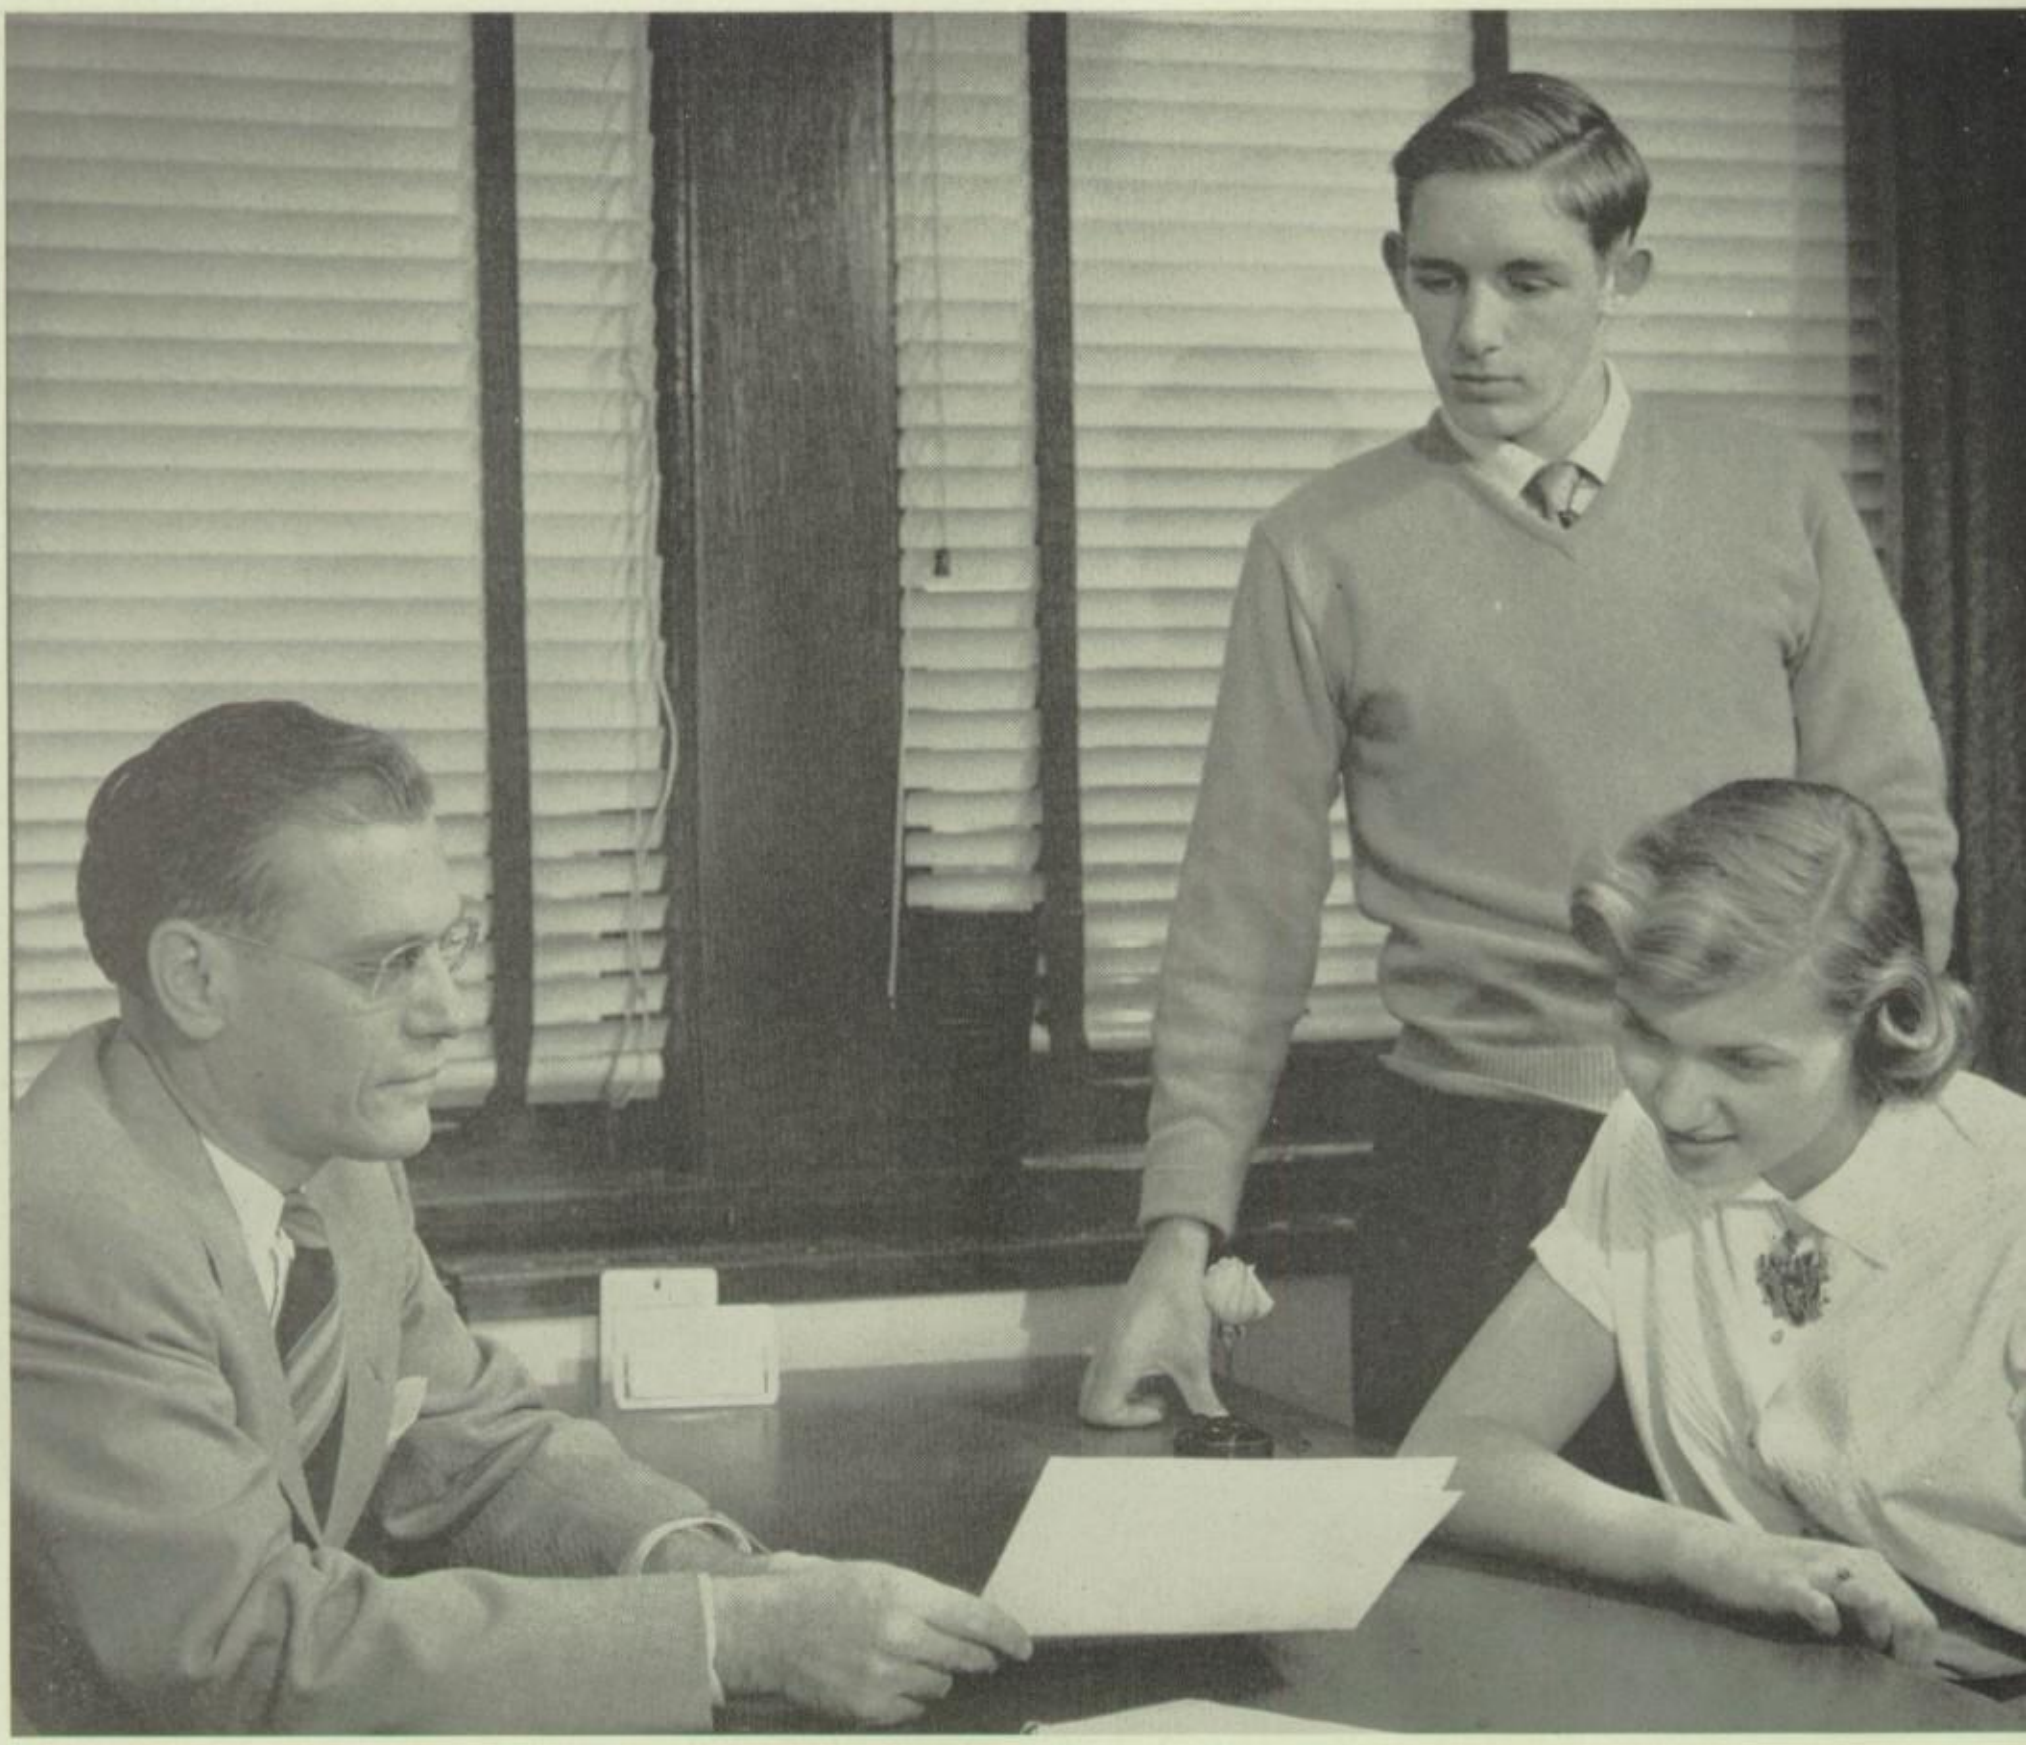
For Individual

Superintendent Martin W. Essex

Lakewood schools continue to maintain their position of leadership in education under the competent administration of Superintendent Martin W. Essex. His recognition of and genuine interest in the problems of the individual student are the basis of his efforts to discover and employ methods of education which best develop the individual as a citizen.

Assistant Superintendent Samuel S. Dickey

Managing the financial end of the multi-million dollar business that is the Lakewood Public School System is the job of Assistant Superintendent Samuel S. Dickey. As the right-hand man of Superintendent Essex, he also oversees the multitudinous details that keep the schools running smoothly. Mr. Dickey's work is the business of supervising the operation of the Lakewood schools.



Mr. Povenmire discusses a future event with Barb Silliman and Tom Quay

Mahlon A. Povenmire, Principal

As principal of Lakewood High School, Mr. Povenmire has the responsibility of seeing that conditions in the school are conducive to the best work possible from both students and teachers. The friendly interest which he has shown in every student at Lakewood, his firm belief that free public education is the strongest bulwark of a democracy, and his realization that schools must educate for the needs of the future have won him the respect and admiration of the students and of the community.

Robert L. Meeks
Assistant Principal

At the beginning of each semester, Mr. Meeks takes on the gigantic task of arranging schedules. In addition to this he has charge of all boys' attendance and acts as dean of boys. His dignity and cooperation have made him an able counselor for all LHS students.

Biology, Chemistry, and Physics Acquaint You With

In a democracy education is of primary importance. Citizens must know their government. At Lakewood education for democracy takes place not only in social studies courses but in all classes. Developing skill in foreign languages and an appreciation of the arts increases respect for people of all cultures. English courses give understanding of life through literature, ease of self-expression, and the skill in communicating ideas so essential in a land of free speech. All classes allow the student to make decisions. That freedom is the keystone of our democracy.

Home Economics and Business Courses Offer You

Preparing students for the most important of all careers, homemaking, is the work of the classes in home economics. Skills needed in careers in the professions and in the many fields of business and industry are taught in other classes, but the work in all departments recognizes as the basis for success in every career the art of getting along with people.

The varied physical education program at Lakewood High School has several main objectives. It is directed at maintaining and improving the mental and physical health of the student and at developing good sportsmanship, potential leadership, physical coordination, and teamwork.

W. J. Cockayne
May 15, 1951

Realizing that one of the primary tasks of the teacher is to inspire in his students the desire to think independently, Mr. William J. Cockayne succeeded in investing the boys in his technical classes with that desire. His gentle wit and rigid standards brought out their best work. He was both teacher and friend to the many boys who knew him as a swimming coach and as a teacher.

Calvin W. White
December 8, 1951

From the time he came to Lakewood in 1921, Mr. Calvin W. White was admired for his ability to create in his students a genuine love for literature and drama. He accomplished this through both literature and drama classes and through his sponsorship of the Barnstormer Club. Lakewood students will long remember his outstanding direction in his last LHS production—"Our Town".

Albert G. Neneman
January 4, 1952

His unselfish generosity with his time and talents won Mr. Albert G. Neneman the high esteem of teachers and students alike. During his fifteen years at Lakewood Mr. Neneman, in addition to his class duties directed senior plays, designed scenery, sponsored the Stage Staff, and worked on the assembly committee. This year the Cinema Staff, too, missed his helpful suggestions.

'And gladly would he learn, and gladly teach.'

—Chaucer

Supporting the entire American system of free public education is, of course, the teacher. It is the teacher who, as representative of the entire system, has daily contact with the student during his formative years. It is the teacher who molds the future citizens of a democratic world. The influence that the teacher exerts on the individual student is second only to that exercised by the student's parents. The teacher must be willing to devote his time and energy to developing mind, character and personality. His ambition must be for the advancement of his students. He cannot be satisfied with mere lecturing but must see that his teaching is assimilated and becomes part of the living experience of his students. He must devote his life to the youth of today that they may develop the wisdom for tomorrow. These men were teachers.

In Existence Since 1923 at Lakewood, Honor Society

As a part of the impressive program at the fall induction of Honor Society, members of the January graduating class, Tom Quay, Beverly Tresise, Gardner Weeks, Dick Jacobs, Leslie Norman, Lloyd Norman, Carol Woodworth, Geoff Paine, Carol Taylor, and Tracy Herrick participated in a panel discussion on principles of this national organization

At the Dessert honoring newly elected Honor Society members, Jerry Linderman and Ed Delfs demonstrated in a humorous manner how to become a member of the Society

For the fall National Honor Society induction assembly the usual pattern of having a speaker was changed. Instead, a panel of ten members from the January class discussed the qualities that underclassmen must have in order to achieve the goal of being elected to the organization. Composed of the busiest students in school, Honor Society has, since the chapter was formed here in 1923, emphasized the qualities of leadership, scholarship, service, and character. As 12B's students must be in the upper fifth, and as 12A's, in the upper third of the class even to be considered. After both fall and spring induction ceremonies, new members are honored at a dessert. As a service to other student members do tutoring. When they don jeans and old shirts in August to polish and clean the trophies, they explain—"It's a tradition!"

The Wedding', at Mid-Year Class Night Performance

Upper left: Everyone is concentrating on readying the bridal pair, Nancy Greene and Jerry Miller, in this scene from the January class play, "The Wedding"

Lower left: Joyce Lansdell and Geof Paine find conversation more interesting than cameras during an intermission of the Senior Prom held at the Masonic Temple

Upper right: Seen at the Senior Prom, Lloyd Norman and Marilyn Collison swing into the Mexican Hat Dance, designed to make both participants and onlookers breathless

Lower right: January graduates say goodbye to Lakewood affairs at the last dance of their high school careers, when the 12B class entertains the newly graduated alumni

As commencement week draws to a close, seniors realize that the walk across the stage to receive their diplomas ends their childhood and that they now face a future filled with college work, learning new jobs, serving in the armed forces, marriage, and homemaking.

Choose 'Senior's World' as Commencement Topic

Upper left: Plans for entertaining the January graduates at the 12B-12A Prom are being made by the June Class Prom Committee and their adviser, Mr. Norman Brown

Lower left: June Class Committee Chairmen D. Overmyer, R. Hiskey, H. Saxton, H. Duncan, N. Geiger, M. Schaefer, E. Delfs make plans for graduation functions

Upper right: Senior Judy Russell measures classmate Bill Carothers for a cap and gown like the one he and the other June Class graduates wear Commencement Night

Lower right: The Junior-Senior Prom was held following Commencement, despite stormy weather. Wet feet and damp clothes didn't detract from the delightful affair

A great variety of events make up the traditional Senior Week, all carefully planned by committees composed of class members. Festivities start with Baccalaureate, on to Class Night, Senior Prom, and finally Commencement and the Junior-Senior Prom.

Students Learn About Their Vocational Interests

Discussing problems of high school students are counselors (seated) Miss Kleinmeyer, Mrs. Garrett, Mr. Hutson, Miss Emery, Mr. Findley, Mr. Meeks, Mr. Johnson, (standing) Miss Kimball, Miss Spinneweber, and Mr. A. E. Cook.

A Careers' Day speaker and student chairmen find the display showing a variety of job opportunities interesting

Dancing to Gene Borza's Combo, new students are given opportunity to meet other class members at 10B party

An important aid to the vocational counseling at Lakewood High School is the Kuder Vocational Interest Test given annually to seniors by Dr. Paul Spayde, Director of Research and Guidance for the Lakewood public schools and Mr. Robert L. Meeks, assistant principal.

Coaches Brown, Cunningham, Harwood, Scullion, Antel, Kluckhohn, and DiBiasio mold Lakewood's football teams

Needing only seven more straight wins to tie the "Golden Tornado" team of 1924, the Lakewood Rangers opened their 1951 season with high spirits by trouncing the John Marshall eleven 57-0 and Parma 52-14. But, their hopes dashed, at the end of the season the former LEL champs broke even by winning three of their six league games and with a season's record of six wins and four losses. A high point of the season was the 30-0 whitewashing the Rangers gave to a favored Euclid team during a soaking sleet storm. Individual honors of the season went to fullback Dick Jacobs, who received an all-scholastic rating and was voted "Ranger of the Year" by the team.

End

After winning their first two games with 100 points to their opponents' 14, Lakewood seemed well on the way to a second straight undefeated season, but in the third game the Heights' Tigers broke Lakewood's 13-game record, 26-18, in a hard fought game at the Heights' stadium. Lakewood trailed 13-6 at half time but pulled ahead in the third quarter with two TDs. At the end of the season, the Rangers had lost four games—Cleveland Heights, Elyria, Collinwood and Lorain. The final record was six wins and four defeats.

Victories Over Euclid, Shaker Heights, and Wes

John Marshall—The LHS Rangers started their season with an impressive 57-0 victory over the Marshall team. Halfback Jim Miller took the scoring honors for the week by making four TD's as the Lawyers were defeated. **Parma**—Ed Grob and Dick Jacobs led in the touchdown department as the Purple and Gold drove to a 52-14 win over the Parma Redmen. The team ran its winning streak to 13 with brilliant pass interceptions and blocking. **Cleveland Heights**—Heights' Tigers handed the team their first defeat, winning 26-18. The Rangers pulled ahead in the third quarter by scoring two TD's, but the Tigers went on to win and break a 13-game winning streak. **Elyria**—Five unnecessary roughness penalties gave the Pioneers 75 unearned yards and brought Lakewood its second defeat. A 95-yard run off tackle by Jacobs gave the Rangers their only tally as Elyria won 27-7. **Shaw**—The Rangers won their first LEL victory by beating Shaw 42-6. Miller and Jacobs scored two TD's apiece while Nicklos and Kontur each made one. Beyer scored the first safety by tackling a player behind the goal line. **Collinwood**—The Senate-bound Railroaders proved too much for the Rangers, as they were defeated 26-19. Jacobs went over twice and Miller once after a 26-yard pass from Saxton to Redifer moved the ball into scoring range.

Euclid—A small crowd watched as Lakewood defeated a favored Euclid eleven during a soaking sleet storm. The Ranger team pulled ahead in the first quarter as Saxton scored his first TD of the year. Three scores by Jacobs and one by Comella made the final read 30-0.
Lorain—Dropping to last place with Shaw, the Rangers lost a 19-6 decision to the Steelers. A 69-yard run by Jacobs in the first quarter and several recovered fumbles by Beyer highlighted the Rangers' evening as the Lorain passing attack overcame the Lakewood eleven.

Shaker—Playing their first day game of the season, the LHS Rangers broke even in the LEL by handing the Red Raiders a 13-6 defeat. Jacobs and Miller shared the scoring honors with a TD apiece while Saxton and Klukan made several brilliant pass interceptions.
Tech—Lakewood wound up the season at the annual turkey game with a 7-0 win over Tech to make a final six out of 10 games won. Brandt's interception and 27-yard run was the high spot of a rainy afternoon. Jacobs ran his 15th tally of the year for the only touchdown.

One Point Victory Over Lorain Highlights Season

Coach Don Harwood's Junior Varsity team split even for the season by winning five out of its ten scheduled games. The JV's flashed into their season schedule with two consecutive victories over Collinwood 13-0 and Cuyahoga Falls 46-6. They lost their third game to Cleveland Heights and went on to end the season with a five-five record. The team displayed real will to fight and played a successful season even though their record was not especially spectacular. Bin Barta was the high-score player of the year, running up 14 touchdowns to his credit as the Junior Rangers scored 191 points to their opponents' 156. Their 19-point game average is proof of the excellent performance they gave this season and a preview of how they will uphold the Ranger tradition next year.

At the District Meet at Ridgewood Country Club, in spite of being hampered by several injuries Lakewood went on to place second, the highest a Lakewood team has ever placed. In the State Meet at Columbus, Lakewood came in with a fourth place on a snowy Ohio State golf course. The Harriers made 152 points as Tech, Toledo, and Latin came in ahead.

For the second consecutive year, Lakewood's tennis team captured third place in Lake Erie League competition. Led by captain Frank Nixon, singles man Bruce Sobe, last year's captain, John Hoffa, Gardner Weeks, and doubles teams consisting of Tom Torgerson, Tom First, John Lance and Pete Bucklin, came through with a season match record of three wins, two losses. Coaching his ninth season, Alex Farquhar watched his boys drop the season opener to Shaw by a 5-0 score, then bounce back to beat Lorain, 4-1, and win at Elyria, 5-0. They lost to Shaker, 5-0, on the Red Raiders' courts, dropping out of the league title running. The Ranger netmen finished their schedule, which was completely contained in a two-week period between September 13 and 27 with a win over Euclid, 3-2, inspired by Barefoot Boy John Hoffa. In explanation, John played the first two sets of his game without his shoes, nevertheless winning. Bruce Sobe and Gardner Weeks played their last game for LHS, leaving six lettermen to form the nucleus for the 1952 squad. The 1951 team had only three lettermen, Nixon, Sobe, and Weeks. Though Lakewood hasn't had a League championship in the last four years, Ranger teams have captured 17 in 26 years.

Lakewood's cagers ended their scheduled season's play at Shaker Heights with a 60-32 victory over the opposing five. Coach Jerry Ross' team finished with eleven wins and five defeats, taking second place in the LEL and getting a chance in the District at Baldwin-Wallace. After winning their first Regional game by forfeit over St. John Cantius, Lakewood went on to defeat Holy Name 53-37, but John Marshall put an end to the good fortune by handing Lakewood a 55-52 defeat, ending the Rangers' season. The team lost their first game of the season to West High 42-33, but sprang back with the high spirit and determination to win which they displayed all season and whipped West Tech by a score of 69-51. From then on the season went fairly evenly with Lakewood winning eleven of its sixteen games. Ranger forward Jon McGruder was chosen on the Cleveland News All-Scholastic team as he came in second in LEL scoring with 246 points, a 20.5 average.

The Lakewood Reserve Cagers came through this season with a lopsided record of five wins and eleven defeats. Although their record was rather weak, Coach Don Harwood's team played a good season and came up with some good prospects for next year's varsity squad. The jayvee cagers lost their first decision of the year at West High by a 31-41 score. After another defeat at the hands of West Tech Warriors 40-38, the Reserves came up with a thrilling 23-22 victory over a fighting Lorain five. Cleveland Heights dropped the jayvees in their next encounter, but Lakewood sprang back with two decisive wins over Shaw and Collinwood. Bin Barta scored 26 points in the game at Elyria for the highest total on record by a Lakewood JV player and was promoted to the Varsity squad. This year's Reserves are well prepared to take over next year's purple and gold.

Although the 1951-1952 wrestling team won only two of its seven dual meets, it placed sixth in the State Meet, which was held at Euclid on February 29 and March 1. Coach Paul Harger had two State champions, Bob Rassie, wrestling 133 pounds, and Don Mayer, wrestling 145 pounds. Don Mayer's brother, Marty, was state champion at 165 pounds, in 1948. Tom Zervas took a fourth at the meet, and Jim Baker was eliminated in the semi-finals. Lakewood was the only school of the 19 entrants to have more than one state champion. The first string consisted of Arnold, 103; Kilbane, 112; Burnside, 120; Kaiser, 127; Rassie, 133; Charnigo, 138; Mayer, 145; Baker, 154; Placzankis, 165; and Zervas, 185.

Finishing a successful season, the 1951 baseball squad came home with a second in LEL competition. Led by Captain Les Slaman and other returning lettermen Pat Good, Mike Pavlus, Dick Sinatra and John Kornick, the Ranger team finished with 7 wins, 3 losses. The season opened on April 5 with a 2-1 win over West High, followed by a 1-0 victory over Rocky River. West Tech lost a thriller to the Rangers 7-6, Con Olson batting in the deciding two runs in the last inning. Following this, the team lost two in a row, Rocky River 12-6, and Lorain 4-2. Coach Harwood's boys pulled out of their slump to take Shaker 10-7, crush Shaw 9-1, and beat Elyria 11-4. The season ended on May 12, as Cleveland Heights beat the Rangers 6-5. This defeat ended Ranger hopes of entering regional, state competition.

The Lakewood thinclads opened their 1952 season with a victory over Cuyahoga Falls 67-23. Traveling to John Marshall for their second encounter of the year, Lakewood lead by two points as the last event came up but lost 42-36 when Marshall's relay team came in ahead. West High proved an easy opponent as Lakewood came in with a 59-25 victory with all of our relay teams placing first. A two-mile relay team failed to place in the K .of C. Meet at the Arena due to the loss of one of their runners. Lakewood took their next meet at Berea as the thinclads came in with nine out of eleven possible events. In their final dual meet of the season the Rangers trounced the Shaker Heights Red Raiders 52-32. The team entered the annual Greater Cleveland Track Meet at the Arena but only managed to place fifth in the Western Division. Coach Antel's team has high hopes for the coming outdoor season, which began after the Cinema had gone to press.

Stressing fundamentals, Coach Cletis Johnson led the 1951 golf team to a two win, three loss, one tie season. Piloted by Captain Jule Gardner, the only returning letterman, and his brother Bill, the team received fifth place in the LEL meet at Manakiki Country Club. Also participating in the meet were Jim Baker and Don Gresham. Lakewood finished behind Euclid, Shaker, Cleveland Heights, and Elyria. The home games were all played at Metropolitan Golf Course No. 1, called "Big Met" by the golfers. The season's highlight was a 18-14 win over Elyria at Spring Valley Country Club. Lettermen were Jim Baker, Jule Gardner, Bill Gardner, Don Gresham, and Don Mayer with J. Gardner graduating.

'L' Club Members Earn Letters in Nine Major Sports

Perhaps you didn't know there is an inactive club in our school. "L" club members hear no speakers, pay no dues, and have no meetings except for the annual **Cinema** picture. Any boy may become a member by earning a major "L" in one of Lakewood's nine sports. Lakewood's extensive sport program allows a large number of boys to earn letters. Outstanding achievements in sports were recorded by the following boys. Bruce Sobe and Frank Nixon shared the spotlight throughout the tennis season. On the cross country team Harvey Sharp achieved success in both the LEL and State meet. On the football field, Dick Jacobs gained city-wide recognition for his skill, and so was awarded an all-LEL halfback post. When the spotlight was turned to the basketball court and the wrestling mat, Jon McGruder was awarded a position on the All-Scholastic basketball team, and Darrell Simko received a position on the All-LEL basketball team for his fine play during the year, and wrestlers Don Mayer and Bob Rassie came through in the state tournament to become state champions in their respective weight classes. Swimmer Graham Vanderveer won all but two of his matches and set eight records during the season. Track and baseball records for the 1952 season were still in the making when the Cinema went to press.

Leaders

Leaders Club is an organization which promotes scholarship, sportsmanship, health, and morals. To become a member a girl must acquire various athletic skills including balance and precision. Important meetings included an original song contest and a resume of golf experiences by Claire Doran.

Girls' Shield

When a girl receives three-hundred points for completing athletic skills, she is eligible for a Shield. Later, when she has a total of 900 points, she has the honor of receiving the highest athletic award—an "L". Points are received for participating in extra-curricular games, riding, refereeing, and passing life-saving and rating tests at LHS.

Athletic Board

The Athletic Board is the co-ordinator of the entire sports program. It is composed of the managers of each athletic team, who are selected by the preceding board and the gym teachers. Some of the important duties of the board this year were the Parade of Sports, an assembly which introduced each phase of the sports program to new LHS students, the selection of the All-Star volleyball and Yale-Harvard basketball team, and organizing a swimming meet in which all girls may participate.

Shimmering Mermaids Stage 'Cover Capers' Show

Yale-Harvard

The annual Yale-Harvard basketball game is packed with thrills for both participants and spectators. Since the first game, the Yale team has been victorious five times, winning again last year by a score of 37-30.

All-Star Volleyball

Girls for the All-Star volleyball team are selected by team captains, officials, and Athletic Board for volleyball skill. Last year's game was won by Barb Silliman's team 37-21.

Tankateers

When the lights darkened on the first act of "Cover Capers", the theme of this year's Tank show, the audience was awed by the brilliance of the fluorescent colors gleaming under the black lights. Few realized the many hours of work behind the final production. For weeks the girls had practiced to perfect such difficult strokes as back dolphins, ballet legs, and marlin turns. The costume and publicity committees of the club aided the swimmers in making the show a success.

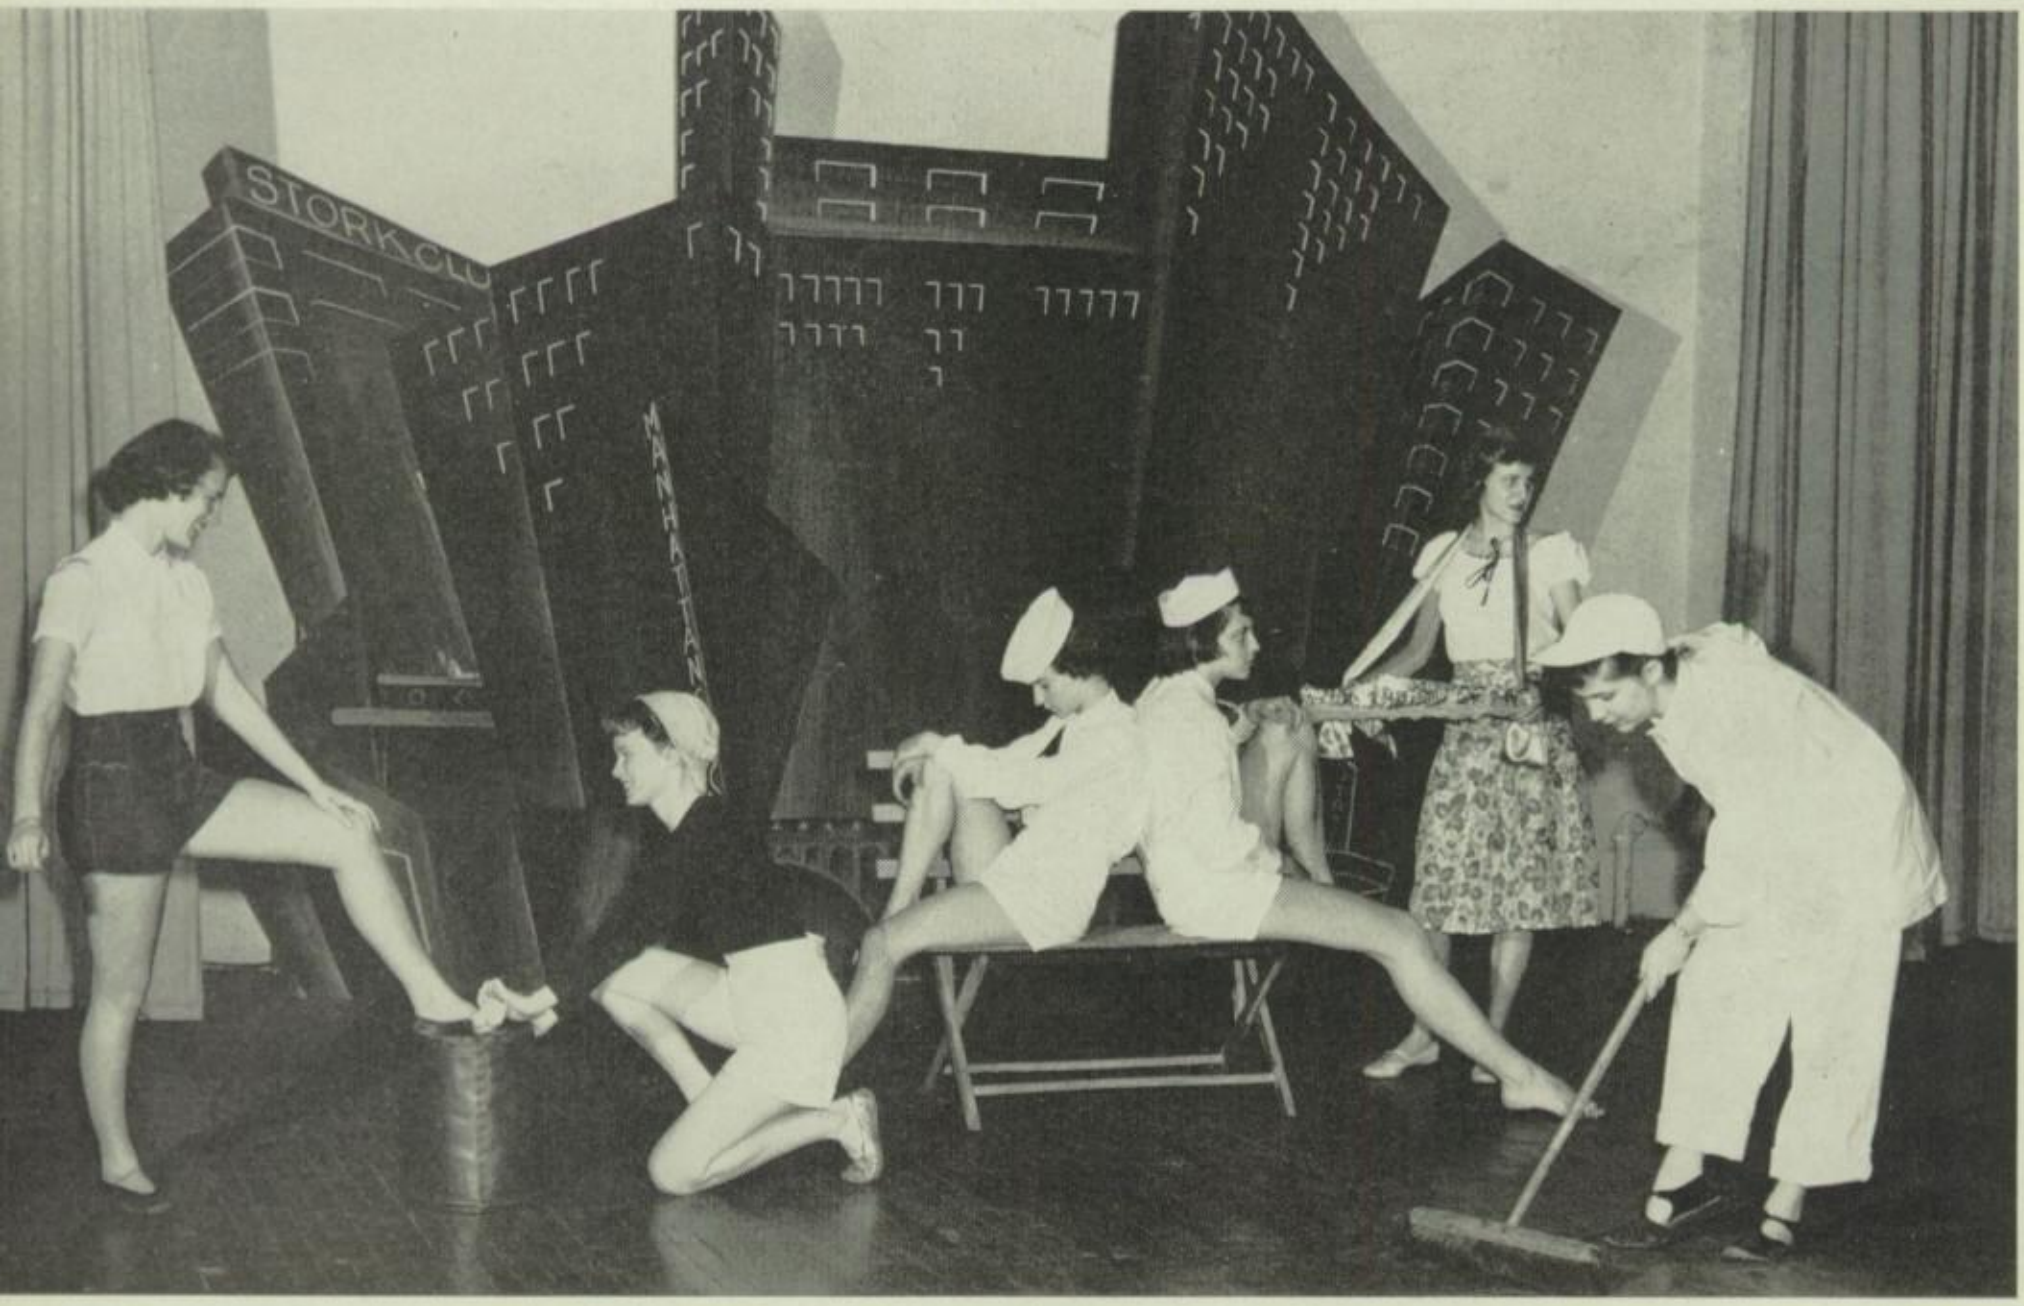
New York City Life Sets Theme of Dance Show

Anna Marie Buffington and Edyth Bonney, hoping to roll up the first 300 game, eagerly begin a bowling session

The Modern Dance show "Manhattan Moods" took the audience on an imaginary tour of New York City. Some of the places which were visited were Manhattan Tower, Wall Street, and China Town. Many weeks before the show, the girls had been divided into "numbers" or groups. Each group had selected its background music and had worked out the pattern and steps of the dance according to the tempo of the music. Although the graceful motions of modern dance appear easy to perform, it is one of the most strenuous activities. Girls in both major and minor modern dance groups improve their balance, coordination, timing, and flexibility.

The opening number of the modern dance show "Manhattan Moods" took the audience to a New York street scene.

The dancers, representing persons of many professions, became street-cleaners, bankers, and shoe-shine boys



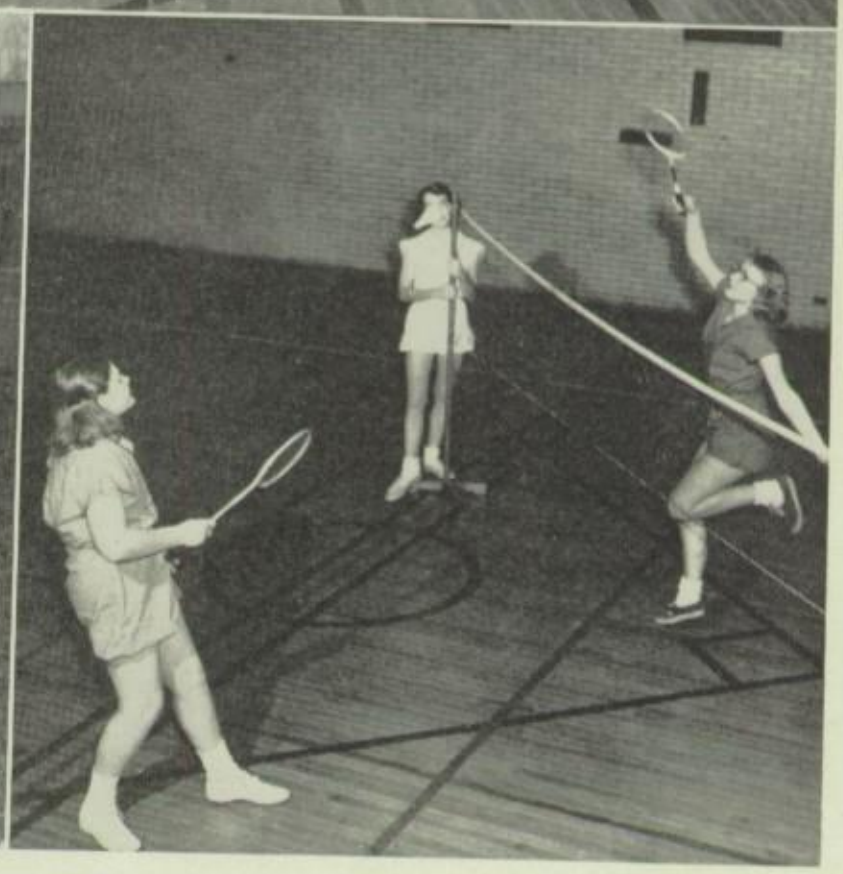
Six Tennis Champs Enter Tournaments at Mather

Extra-curricular athletic activities add to the character, sportsmanship, and enjoyment of the participant. The sports which are stressed are those which the girls will always be able to play and those which require little equipment. Bowling, tennis and archery are good examples of this type of sport. Girls may enter team tournaments which incite spirit and competition or they may enter individual tourneys to compile high scores and averages. Highlights of the athletic year were the journey to Mather by six tennis champs who entered singles and doubles contests; two Leaders' Playdays; and basketball and volleyball tournaments.

Finalists in tennis tournament are Geiger, Mayer, Schaefer, Kresge, Gustafson, Stawski, Boyd, and Silliman

Competitors in the archery tournament check accuracy and skill by practicing in the gym before contests. For the protection of both participants and spectators, new backdrops for the gym targets were acquired

Fall, Winter, and Spring Sports' Programs Offer



Upper left: A new activity this year was the social dancing class. Here students learn the basic fox trot step

Lower left: Spring fever influences Alice Hansen to review golf forms under the supervision of Barb Hemmer

Upper right: Millie Schaefer and Diane Mayer practice techniques of batting, using the tee method in gym class

Badminton is one of the intra-mural sports in which girls may participate to secure points for a shield or "L"

New to the athletic program is social dancing. Boys' and girls' gym classes combine to give an opportunity to perfect the basic steps and to learn advanced steps under the direction of a professional social dancing teacher.

Golf, baseball, and badminton are good examples of the seasonal sports program. After the fundamental procedures and skills are learned in gym classes, these sports may be enjoyed as recreation throughout the year.

Lower: The formation by the athletic board of a new riding club as a part of the intra-mural sports program met the approval of many equestriennes, who practice their skills in the ring at Parker's Ranch and on Valley Trails

Basketball and ping pong represent the many tournament sports which are organized in individual, class, or intramural programs. The popularity of these sports is seen in the fact that 75% of the girls are participants.

Realizing the importance of a riding club, the Athletic Board has made one a part of the athletic program. Members meet at Parker's Ranch after school to practice in the ring and on the trails in the Valley.

Students work on annual PTA paper sales to raise funds for Student Council projects

The PTA's main interest is the youth of Lakewood. Yearly our PTA stages a paper sale to raise funds for projects of the Student Council. Their financial aid makes possible much of the extra equipment LHS students enjoy.

The brush stroke of the artist develops the texture of the portrait. Service to the school develops the character of the individual. Service to the school develops the ability to work with other people and share a sense of responsibility. Joining in school service can also lead to companionship and good fun. For example, Lakewood High School students seemed to enjoy the paper sale in spite of the hard work, judging from the number of gallons of cocoa and many dozens of doughnuts which they consumed.

Student Council Crystallizes Opinions, Plans School

As a working example of student government, Student Council is the heart of student activity. This year to create school spirit pep-rallies preceded important athletic events. During one of these a new idea featured a Lakewood Ranger capturing a Heights Tiger. Recommendations to Board of Education included sound-proofing the corridors leading from the cafeteria and a more efficient ventilating system for the chemistry laboratories. The Council purchased a whirlpool bath for the use of persons injured in athletic events, helped finance part of the new co-ed dancing program, and bought an Eastman camera and tripod for the athletic departments, in addition to bearing the expense of athletic transportation.

1952 Cinema Staff Plans, Works, Meets Deadlines to

You are Lakewood High School—**you** as a personality make up the basic element of the school—a record of Lakewood High School is **a portrait of you**. With this concept in mind, the Cinema staff set to work producing this year's record of your activities. The staff struggled with words, ideas, space limitations, and deadlines to picture in words and photographs the way you worked, played, thought, and made friends. In the process they learned how to accept responsibility and work to achieve the common goal—your Cinema.

Along with the rest of the staff, they devoted many extra hours to planning and working out the details of publishing your 1952 LHS Cinema.

For the seventh consecutive year, **The Lakewood High Times** has been rated All-American by The National Scholastic Press Association. Creativeness, balance, excellent news, sports and editorial coverage, original use of feature material and interesting topics, and a well-planned general make-up are among the many reasons why the **High Times** has continued to achieve this rating. Besides actual reporting, staff members are kept busy planning features, reading proof, taking pictures for **The Times**, typing copy, keeping the books, mailing copies to alumni, securing ads, and writing headlines for their articles.

A sports column written by "Alias Jim Locker" was featured in the **High Times** during the fall semester. It was a surprise to everyone when "Alias Jim" turned out to be Girls' Sports Editor Sue Leick. Another interesting column in the **Times** last fall contained a series of articles written by Editor Ed Delfs on his adventures in the High Sierras. A new feature this year is finding out who is the top news personality at Lakewood High School. The staff keeps a record of each time a student's name appears in print in the Lakewood **High Times** and will announce the top news personality in their last issue this year.

'Let Your Light So Shine'—Theme of the Friendship

Main meetings combined with chapter meetings helped to weld the theme "Let your light so shine ever onward, ever upward, ever true" into the hearts of club members. In September a program designed especially to introduce the club to 10B girls was presented at an all-girl assembly. It included four skits, representing the various phases of Friendship activities as outlined by the YWCA. The Recognition Service, honoring girls who were active the previous year, was held in our auditorium for the first time in LHS history.

The Christmas Service was followed with a supper and the Senior Farewell. "Friendship Follies", uncovering hidden talents and abilities, and the annual Hi-Y-Friendship Dance were held in February. For the first time in several years, a Friendship choir was organized. Joint Hi-Y-Friendship conferences in April brought Mr. Laten Carter as the speaker. Climax of the year was Pa-Ma-Me dessert.

Hi-Y Chapters Send Delegates to Columbus Where

The kneeling 10B's John McKee, Miles Riggs, Bin Barta, Gaylord Valley, Charles Hoffner, Lee Tainter, and Bob Barger participate in their first Hi-Y experience, a solemn induction ceremony, where the ideals of Hi-Y are explained to them by Tom Doty, Dave Delo, Bob Hewitt, Gene Borza, and Roger Brown, representatives of the 11B chapter

Cooperating with the state government, the Hi-Y Clubs of Ohio participated in a Youth and Government program. Representatives from the Hi-Y chapters throughout the state met in Columbus April 25, 26, 27, and tried their hand at governing the state. Larry Kneifel, Kim Bredenbeck, Bob Beckley and Bob Parsons were the representatives from the Junior and Senior chapters. They were chosen at Hiram, where the representatives from Northeast Ohio first met to receive preliminary training in the state government. Each Hi-Y chapter had the opportunity of originating a bill which its representatives carried to Columbus for the state legislature.

Another highlight of the Hi-Y year was the annual Hi-Y Friendship Conference open to the entire school. Mr. A. Laten Carter of Kent State University was brought to LHS for conferences in which problems troubling students were informally discussed. Entertainment at meetings is usually supplied by outside speakers, although the boys often conduct their own programs ranging from movies to discussions. The spirit of service is developed through ushering at the annual Good Friday church services and contributing to the YMCA World Service fund money raised by holding paper-sales and running booths at the all-school parties held during the year.

They Operate the State Legislature for Three Days

Having fun is an important phase of the Hi-Y program. Each winter a Hi-Y basketball tournament is held in which teams from the seven Lakewood chapters, Bay Village, and Rocky River compete. Date nights and the annual Hi-Y - Friendship dance are among the high points on the social calendar. Emphasis on character is another essential part of Hi-Y. The solemn induction ceremony is the boy's first contact with the religious side of Hi-Y. Members further this contact by learning about Christ and His teachings from the devotions held at each meeting.

It was "hello" to Miss Spinneweber, the new director of Ushers Club, when "goodbyes" were said to Mrs. Stewart upon her retirement. Another change made this year was the official uniform. The girls are now identified by their white blouses and dark skirts as they pilot the crowds at various school affairs at the same time getting the chance to see the performances. Special opportunity is given to ushers seventeen or over. In the spring semester they may, after passing a successful interview, assist at one or more of the Metropolitan Opera performances. Because it is a service club, the entire group does not often get together; however, there is one occasion that is enjoyed by all, the annual potluck, at which Miss Spinneweber and the girls enjoy fun and food. Not only does the school benefit by the service of these girls, but by such service they develop poise and charm.

Checking and carding books, pasting magazine covers, repairing damaged books, and reading shelves are only a few of the services the Student Library Staff performs before, during, and after school. This busy group of boys and girls helps Miss Findley, head librarian, and Miss Jones, assistant librarian, to keep the school library running smoothly. Carrying out the theme of National Book Week, "Guidance", librarians and assistants decorated the library with interesting and colorful displays throughout the school year and aided fellow students and teachers with selected references and reading.

Transcribing History—Another LHS P. A. Staff Duty

Held fast on narrow ribbons of tape for future Lakewood High students are the speech of General Douglas MacArthur containing the often quoted lines, "Old soldiers never die—they just fade away," and that of Prime Minister Churchill given upon the death of King George VI of England. Caught forever are both the clear tones of the General and the fading and distorting of the Prime Minister's voice caused by disturbed atmospheric conditions between New York and London. Making transcriptions of such historic speeches and events was the first of two new duties that have fallen to Lakewood High's public address staff since late spring of 1951 in addition to the routine jobs of running the new public address console and portable amplifiers for announcements, assemblies, and special events. The second duty also proved to be interesting for the operators. For the first time in LHS history the stadium P.A. system was entirely owned by the school with the P.A. staff in charge of its operation. Many exciting descriptions of fast action plays went coursing through the wires of the new system. The staff has made plans for increased efficiency of operation and promises to provide more extensive school activity service.

The grinding projector, the blaring amplifier, the image on the screen constitute the equipment needed to present the noon movies each week. Six times a day the reel is projected and rewound. The Projectionist Staff directed by Mr. Jessup make these showings possible. Apprentices, chosen for their capability and integrity, are taught by experienced operators the workings of the projector. Operators spend half of their lunch hour in the cramped booth above the auditorium balcony, and a member is always on duty in 126. To receive a minor "L", a member must serve three semesters and be a senior member for one semester. The staff hold regular meetings and a party for the all-boy membership.

Dramatics is an important activity of Lakewood High. For many years the graduating seniors have given a play as part of Class Night exercises. This year "The Wedding" added a light touch to the sentimental affair.

The pursuit of interests is to your portrait as detail is to the artist's picture. By developing your interests and hobbies you gain knowledge, training, and experience that benefit you, the school, and the community not only while you are in high school but afterwards—college, career, and family. Hobbies and interests furnish the makings of good comradeship by bringing together people of the same interests and tastes who enjoy doing things together. Varied club experiences add to your portrait.

Orchestra Participates in LEL Music Festival

In February, forty-nine members of the Lakewood High School orchestra participated in the Lake Erie League Festival held at Euclid High School. These members made up about one-sixth of the 300-piece orchestra of Lake Erie schools. This was the first Festival held since 1948. The Band-Orchestra concerts, given jointly by the members of band and orchestra, were the orchestra's only appearances before a school audience this year.

or Everybody Interested—Purpose of Glee Clubs

Many students enjoy singing, but unfortunately not everyone has the talent to become a member of Senior or Junior A Cappella. For that reason, boys' and girls' glee clubs were organized. The desire to sing is the only requirement, and students are given practice in singing three parts. Glee clubs meet three days a week under the direction of Miss Gilmore and Mr. Evans. The high point in the glee club year is the annual Spring Festival.

The Spring Festival, which is held in latter part of May, is for all vocal music organizations the climax of a year of concentrated work. All organizations, no matter how small, participate in this production—Senior A Cappella, Junior A Cappella, and boys' and girls' glee clubs. Each organization performs several numbers alone. As a grand finale, all the organizations perform several numbers together in a grand combined chorus.

Hi-Art Develops Members' Interest in Creative Skills

"Red, blue, yellow hands!" Don't be alarmed if you see someone wearing this color combination. He is probably a member of Hi-Art who has been finger painting. Creative expression through such activities is one of the club projects. At one meeting the techniques of enameling were discussed, while modern painting and figure drawing were the subjects of other programs. Under the guidance of Mr. Tom Cook the members participated in cartooning and cartoon games. Second semester programs included speakers from famous department stores, who spoke on fashion advertising and commercial art. A teacher from Cleveland Art School who teaches fashion designing also gave an interesting talk.

Hi-Commercial

"Don't wear a babushka and bobby sox to a job interview" was the plea of Miss Anne Erste from the Federal Reserve Bank of Cleveland at one of the October Hi-Commercial meetings. Besides enlarging the commercial student's knowledge of office procedure, the Hi-Commercial Club affords its members much helpful information in securing a job suited to their personalities and needs. Miss Mary Pajunas, champion speed typist, demonstrated her skill at the first meeting.

LHS Stage Staff Sets Scenery for School Productions

Setting the skyline for "Manhattan Moods", handling the staging for the "Laff Musicale", and painting the scenery for the Barnstormer play, "Life of the Party", were some of the jobs which the Stage Staff performed ably. For demonstration speeches in Miss Moore's classes, the boys on duty dim lights and pull the curtain to secure the desired effects. During Christmas vacation, two ambitious members, Dick Overmyer and Jack Robinson, moved the school scenery to the Lakewood Little Theater, where they washed, repaired, and repainted every flat. While most outside assemblies are taken care of on a voluntary basis, shows such as those presented by the Kiwanis Club offer the boys a paying job. The organization is under the direction of Mr. Tom Cook, who became sponsor after the resignation of Mr. Neneman. Three semesters of service entitle members to a minor "L".

Barnstormers Recall Productions by Calvin White

Members of the Barnstormers Club and the many alumni of Lakewood High School who have had the privilege of working in dramatics under the direction of Mr. Calvin White during the past twenty-eight years were saddened by his death on December 8, 1951. No member of a cast or an audience will ever forget the "White touch" which made Barnstormer productions of such plays as "The Merchant of Venice", "Hamlet", "The Man Who Came to Dinner", and "Our Town" memorable ones.

Activities of the Barnstormers this year have been carried on under the leadership of the officers assisted by Mrs. Doris Griffith and Miss Genevieve Cook, who directed the fall play, "The Life of the Party". Outstanding programs included a discussion, "What to Look for in an Actor", by Mr. Bramer Carlson, producer and director of the Lakewood Little Theater, a movie of the Shakespearean play "Othello", and a demonstration of the correct application of makeup by the officers.

Math Club Discusses Possibilities of Space Travel

"There is life on other planets" was the arresting statement heard by Math Club members as Jim Schreiber discussed the possibilities of space travel. The design of the ship, the type of take-off, and maneuvering and landing were all fully explained. The possibility that the "flying saucers" are from another planet entered into the discussion concerning space travel. This topic demonstrates the type of programs that Math Club has arranged to emphasize the application of math to other sciences. Other programs demonstrated the applications of math to electronics, radio, and photography. Many of the wonders that surround astronomy and astrophysics, the sciences of celestial bodies, were explained by John Varady. To illustrate his talk, he used a six-inch telescope which he had made himself.

Speakers Club Enjoy Demonstrations and Debates

"Would you like to Charleston?" invited Libby Koskinen as she demonstrated for Speakers Club this dance revived from the fabulous twenties. Ed Delfs' humorous comments as he demonstrated the art of stuffing a rabbit brought peals of laughter from everyone. A take-off from the TV show "What's My Line", was another humorous program. In a heated debate the subject of conscription gave a serious note to the semester's programs. Dick Shirk was elected representative from Lakewood High to the LEL speech contest.

Photo Club

"Let's cut his head off. No, he'd look better with two heads!" These remarks issued from 204 as Mr. Rood, club sponsor, explained the art of taking trick photographs during one of the Photo Club's fall meetings. In December the club held its annual football assembly, in which humorous cartoons portraying the players and coaches were shown as well as movies of LHS football games. The Photo Club serves many purposes, including helping new members learn the fundamentals of photography, training photographers for **High Times** and **Cinema,** and supplying pictures for the PTA. During the year each member selected a project suited to his desires and capabilities in photography for his club program.

"See the world by car, boat or train, but not by plane" is one of Mr. Paine's favorite philosophies, which he himself practiced last summer when he took a freighter trip through the Caribbean to South American. Hearing Mr. Paine narrate his experiences while they watched movies of his thirty-three day journey, Spanish Club members were able to share in the semi-tropical wonders. Also on the agenda for Spanish Club meetings this year were Gaston Jorquera from Santiago, Chile, and Katie Parker, an LHS student from Nicaragua. Katie and Gaston described life in their native lands of bright sunshine and balmy breezes. Through these talks about South and Central American countries, Spanish Club members gain a real understanding of the lives of our Latin-Amerian neighbors.

German Club Studies German Life, Culture, Customs

Investigating German life and culture, members of the German Club attended travel movies, visited the real German theater, and studied German folk and social customs. The club experienced the traditional customs of the German people at a pre-Lenten party called **Fastnacht Abend**, (which was held in an atmosphere of the true German spirit.) Native Germans showed the club old country dances, and native German students introduced the games of their youth, while in the background a musician strummed his zither to many an old German tune. By conducting meetings in German and by using the language occasionally among themselves, members add to their working knowledge of the language. The country, too, becomes familiar to the group as they see it in German films and picture it in class discussions and in the text. Similarly, the German people come to life as personalities and neighbors through their literature.

'Know Your Italy' Inspires Latin Club Members

"Know your Italy" provided the theme around which this year's Latin Club programs revolved. Working at various projects helped members to realize the full meaning of this theme. Carrying on correspondence with students in three Italian cities—Florence, Milan, and Genoa, viewing slides, and reproducing a large map of Italy increased acquaintance with that country. Sending school supplies to pupils in Naples was another project. The two main social events of the club year were a Halloween dance and a tea held during Latin Week. This year the week of April 21-25 commemorated the traditional date of the founding of Rome. Guests at the tea included faculty members, parents, junior-high teachers, and students. Miss Ruth Robinson, U S. delegate to UNESCO Seminar in Paris, told of her many experiences while traveling through Italy, Greece. Music, refreshments followed.

Handkerchiefs, scarves, dolls, and other objects made up an interesting exhibit in the library this year when the gifts of generous pen pals of French Club members were displayed for all students to enjoy. Club members write to students in France as a supplement to class work, the exchange giving an understanding of French life that no textbook can give. Programs for meetings vary from movies of the classic "Cyrano de Bergerac", the life of Pasteur, and scenes of the Gaspe to writing final rhyming lines for quatrains in French. Miss Denise Frank, a native French woman, spoke to the club on the current political situation in France. At present she teaches a French class in the Lakewood night school. Meetings conclude with singing of French national anthem, "La Marseilles".

Hi-Forum Club's Interest Centers About Middle East

Hi-Forum members presented a mock United Nations' assembly to show the development of the UN since World War II. Twelve club members attended the model UN assembly at Western Reserve, acting as delegates from France and Sweden. Bill Osborne represented LHS at the sixth annual World Affairs Institute at Cincinnati in March. Kent Williams traveled to New York City where he observed meetings of the Trusteeship Council and UN.

Hi-Forum's interest in the Middle East was aroused when Harrison Johnson, world traveler and Lakewood graduate, now a free-lance writer for the Plain Dealer, discussed Communism vs. Democracy in his talk "Age Out of Control". Informative films on the Middle East were presented at meetings. Members attended the Council of World Affairs sessions to hear both American and foreign authorities discuss policies in the Middle East.

Auto Club Sets Safety Program for All LHS Students

The purpose of Auto Club is to carry out various safety projects in the school and to promote intelligent and safe driving methods among teen-agers. The problem of proper parking was particularly stressed this year. Club members heard Bill Port, president of the Dragins Hot Rod Club, speak on his hobby. Other programs included an insurance agent and a safety director for the Cleveland A.A.A. Under supervision of the A.A.A. students participated in a study of traffic flow. In conjunction with their class work, members saw movies on driving and parking.

Membership in Auto Club is open to anyone interested but is generally composed of students in the driver training courses. According to Mr. A. K. Cook, club sponsor, the 1952 membership has increased greatly over that of previous years. The interest in auto driving has recently grown so great that a second instructor was deemed necessary. Mr. John W. Wood now divides teaching duties with Mr. Cook. The Geo. A. Falke Co. donates a new model dual control Ford to aid the new drivers each year. This program has become essential to the welfare of the community.

Slides and Talks Fill Programs of Agassiz Members

Agassiz Club meetings this year were unusual in that they were geared to fit the varied interests of its biology-minded members. Dr. Spayde, psychologist for the Lakewood Public Schools, gave a talk on abnormal psychology. This, along with a discussion of the causes, treatments, and cures of cancer, was presented for those who enjoy physiology. Fred Thompson presented a program on the American Indian for armchair anthropolgists. Films and slides illustrating talks on flowers and birds introduced a series of programs devoted to a study of spring wildlife. During Easter vacation the club was divided into several small groups, each group going on a different kind of field trip, such as studying geology, or observing amphibians and reptiles in Rocky River Valley. Agassiz naturalists led these meetings. Although the club aimed at satisfying individual rather than group interests, it functioned well as a unit in planning party booths and various social affairs.

Sparks fly as the scream of metal against metal pierces the ears of onlookers. Billowing clouds of steam follow the red hot slabs of metal while it is forced into sheets of gleaming steel. A dull thud indicates the emptying of a ladle. With a clang of gears the huge glob of molten metal begins its brilliant plunge into the waiting mold. The guides made sure that every stage in the creation of steel at Republic Steel was shown to members of Newton Society on a trip through the Cleveland plant in November. This project was arranged so that the members could see at first-hand the industrial application of science. A recent assembly put on by the society also dramatized science. A cake baked in ninety seconds highlighted the experiments in electronics, astrophysics, chemistry, and liquid air. Through the efforts of Mr. Glen Boruff, faculty adviser, the interest of the members of Newton Society has extended literally from "microcasm to macrocasm."

Money raised by many of these projects helps to support several important Lakewood High activities.

Audiences Laugh Way Through 'Life of the Party'

Adding to the social season was the annual Barnstormers' play, "Life of the Party". This hilarious family comedy played to a packed house for two consecutive nights. Besides the many students in the cast there were many helpful people behind the scenes, prompting and setting the stage; and, of course, Miss Genevieve Cook who turned in an excellent job of directing and advising the players.

Climax of a week of excitement and suspense was the Homecoming game and the crowning of the first Homecoming Queen in LHS history. A reception for alumni followed and the all-school dance on Saturday ended festivities.

A row of whirling purple and gold, "Lakewood Locomotive" shouted through megaphones—the cheerleaders build up excitement to a high pitch. Fans eat a hotdog from the Friendship booth or buy cokes from Hi-Y boys.

Thanksgiving, Christmas Mean Gala Balls

The most gala social event is the Christmas Ball held at a downtown club, but the Thanksgiving Football Dance at the Masonic Temple and informal parties in the gyms during the year are part of the Lakewood traditions.

Hectic Senior Week Ends High School Careers

From the last exam on test day to the last dance at the Junior-Senior Prom, Lakewood High seniors are awhirl with activities. Senior Week, a time of fun, solemnity, and tears, of gay parties and friendly open houses—the most wonderful week of your life. Marching in to "Pomp and Circumstance", giving a half-smile to watching parents, adjusting mortar boards, applauding the class speakers, saying "Thank you" for that important document—the climax of one's high school career is, of course, Commencement.
